Translated By: The American Standard Version, which was also known as The American Revision of 1901, is rooted in the work begun in 1870 to revise the King James Bible of 1611. This project eventually produced the Revised Version (RV) in the UK. An invitation was extended to American religious leaders for scholars to work on the RV project. In 1871, thirty scholars were chosen by Philip Schaff. The denominations represented on the American committee were the Baptist, Congregationalist, Dutch Reformed, Friends, Methodist, Episcopal, Presbyterian, Protestant Episcopal, and Unitarian. These scholars began work in 1872. Three of the editors, the youngest in years, became the editors of the American Standard Revised New Testament: Drs. Dwight, Thayer and Matthew B. Riddle.
